

#1

In January, we used the fingerprint pages to write our plans and thoughts for the Lord.

For September, use the fingerprint spaces to write "who He says you are and who you are in Him" from the Bible verses on the calendar.

Let the One who made you say who you are.

#2

Using a washable marker, color the end of your fingerprint with color. Then stamp your fingerprint onto paper. Draw details with a Sharpie Fine Tip Marker to create objects, critters or something new from you!

One of our favorite fingerprint artists is Ed Emberley.
