Word**
John 1:1-3

Father
John 3:16-17

Who is God in each verse? Every passage in the Bible reveals a little more about who God is. To many the names given to Him were because of their situations or circumstances and how God revealed Himself to each person. Some names are given to us by God as reminders of who He is. May we never forget the name above all names! Who is God to you?
